Spaghetti - Not my name and hell no.

billy bill bill - rich as an actor? I'd like to see it

Stanny the Manny - i can see it

billy bill bill - but what kind of actor?

Spaghetti - clearly he'd be a comedian

tHOzier - thanks

Spaghetti - only because you don't have range

Mikey Moo - eddie as a groupie? Makes sense tbh

Spaghetti - no it fucking doesn't

tHOzier - you'll change your mind once i'm living in a mansion on the hill and my security guy won't let you in even when you plead to see your bestest friend in the whole world. I'll be watching through a camera at the gate and laughing because I remember this moment when my eds turned me down

Spaghetti - what the actual fuck Richard?

Spaghetti - and why did that take you so long to type?

tHOzier - had to come up with the right wording

Spaghetti - you said it out loud before you typed it?? You had the wording

Eddie - I haven’t even told the other losers that

Bill - i know

Eddie - i can’t just

Eddie - tell him!!

Bill - you told me

Eddie - that was a complete mistake!

Bill - you know that no one cares

Bill - Richie is out, you know that right, and nothing changed

Eddie - it’s different

Bill - it really isn’t

Bill - also, and I promise I didn’t say anything and I still haven't, but the other losers know eddie. We don’t care.

Eddie - I’ve got to go, Richie wants me

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Bill - talking to eddie about this is kind of sad

Stan - and you’re right bev

Bev - idiots in love

Beverly, Stan, Mike, Bill, Ben

Stan - dear god they are so annoying

Bev - like we say that we won't let them out until they've kissed it all out

Ben - I'm like pretty sure that kidnapping is illegal

Bill - yeah i believe it is

Bev - damn

Mike - guys i've got first period with them first thing tomorrow morning

Eddie - do you think I should?

Bill - yes

Eddie - everyone already knows, don't they?

Bill - yes

Bill - like, we are all very aware

Eddie - I guess that makes it easier

Bill - hey, quick question, why not talk to Richie about this? He's actually come out to everyone

Eddie - wanted your advice on it

Bill - Just go for it

Bill - we're all going to support you no matter what

Eddie - how should I do it?

Eddie - am I pussy for just texting the group

Bill - no

Eddie - okay

L stands for Loser
Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

Spaghetti - y'all I have to say something.

Spaghetti - I am gay

Spaghetti - I know you all knew but I never actually said anything so I thought I should come out

Spaghetti - but just to you guys

bad bitch - <3

Mikey Moo - we knew but congrats on actually coming out

Benzo - thanks for trusting us enough to tell us eddie

Stanny the Manny - we definitely knew but that doesn't mean that was nerve wracking

billy bill bill - I told you everyone would be chill

Private Message Between *Eddie and Bill*

Bill - better?

Eddie - yeah

Private Message Between *Eddie and Ben*

Ben - happy you're out

Eddie - very much so

Private Message Between *Eddie and Bev*

Bev - you're braver than you give yourself credit for

Eddie - hardly

Bev - dude

Eddie - okay

Eddie - kinda

Private Message Between *Eddie and Mike*

Mike - seriously thanks for telling us and if you need to talk about anything I can listen

Eddie - thank you Mike, that means a lot

Private Message Between *Eddie and Stan*

L stands for Loser
Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

Spaghetti - thanks guys

Spaghetti - <3

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Bev - stan why isn't richie saying anything

Stan - why would i know that????

Bev - you're close to Richie

Stan - we all are

Mike - yeah but you and him are tight ya know

Stan - idk they're probably together or something

Ben - they're not

Ben - eddie told me that richie dropped him home and left my jacket with him

Bill - shit

Mike - richie isn't homophoic tho

Bill - yeah but eddie, as much as he hates to admit, cares about richie and really values his opinion

Bev - he hasn't read the chat but he's been active

Stan - I can't think why he wouldn't say anything in the chat

Mike - maybe he messaged eddie privately or something?

Ben - probably

Bev - I guess we'll see how they're acting tomorrow in class then

Bill - Mike you can live message what's happening

Bev - that's a good idea

Bev - and you do it during maths bill so we can all keep up to date

Stan - our lives would be so much easier if they became a thing

Bev - be less boring as well

L stands for Loser
Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

bad bitch - so two out of seven losers are out

bad bitch - perhaps a pattern

Mikey Moo - who are you expecting to be next?

bad bitch - don't know

bad bitch - we have to see

Benzo - sorry lads but not it

bad bitch - i two am a hetrosexual

bad bitch - silence from the others okay

bad bitch - kidding

Mikey Moo - bev you crack me up sometimes

bad bitch - good

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Bev - he still hasn't said anything tho

Bill - he's gotta be PMing eddie

Stan - no way Richie isn't talking to him rn

Mike - when is richie not talking

Bev - exactly

Bill - stan

Bill - why don't you message him

Ben - so we're getting really involved then

Bev - absolutely

Bev - stan

Stan - idk what to say

Bev - start with 'hey' and see what happens

Private Message Between *Rich and Stan*

Stan - hey

Richie - yeah

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Stan - he just said 'yeah'

Bill - ask him what's he doing

Private Message Between *Rich and Stan*

Stan - what are you doing?

Richie - rn? Watching a movie. Why?

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Stan - he said he's watching a movie

Bev - be outright and ask if he's talked to eddie

Bill - but be casually about it

Private Message Between *Rich and Stan*

Stan - have you talked to eddie

Richie - why is it taking you like a minute to respond to each of my questions

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Stan - help he asked why it's taking me so long to respond to him

Bill - so he didn't answer

Stan - no

Bev - ask him to answer

Private Message Between *Rich and Stan*

Stan - doesn't matter. Have you talked to eddie

Richie - who else are you talking to rn?

Richie - oh shit you're talking about these question lmao

Richie - why did they send you?

Stan - because we're friends

Richie - i'm friends with all of them

Stan - that's what i said

Stan - but they said we're closer

Richie - oh?

Stan - yeah

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Stan - he is completely on to me

Stan - i also may of explained what's going on when asked

Bev - dude

L stands for Loser
Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

tHOzier - I didn't respond to eds in the group chat because I already knew

tHOzier - and not in the 'he's clearly a little twink, look at those shorts' kinda way. He told me like a year ago

Spaghetti - I'm not a twink

tHOzier - babe

bad bitch - WHAT

billy bill bill - you said I was the only one you were out to???

Spaghetti - i never really came out to richie

tHOzier - "richie can you be serious for two minutes i really need

some of your help” “is it that you’re struggling with your sexuailty and seeing as I’m clear with mine you wanted to come to me?” “yea, that’s it” “eds you’re gay”

Spaghetti - he was completely serious the entire time as well

Spaghetti - I was impressed

Spaghetti - then he made some dumb joke

billy bill bill - i knew but i still responded to him in the chat

bad bitch - you had us all worried

tHOzier - didn’t need to respond he’s sitting beside me. We talked out loud

Benzo - you said that richie dropped you off

Spaghetti - snuck into my room after ma fell asleep

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Bev - what the actual fuck

Bev - i am rather close to strangling the two of them tbh

Stan - I’ll help

Notes for the Chapter:

Thank you for all the love :))) Makes my day!!

3. Chapter 1: The ‘Mike may or may not commit double homicide’ Part

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Mike - okay

Mike - you guys ready for this??

Bev - hell yeah

Stan - i don’t think we have a choice

Bill - that’s the spirit

Mike - so, i just arrived neither of them are here yet.

Mike - they usually arrive like 30 seconds before the bell goes so that’s fine

Stan - aren’t you going to get in trouble for being on your phone?

Mike - nah my teacher is super chill about that kind of thing

Mike - they’re here

Mike - big news, Eddie is wearing one of Richie’s jumpers

Bev - what the fuck

Bev - are you sure

Mike - yeah its the one ben got him for his birthday

Ben - Richie wears that all the time tho

Bill - so is eddie borrowing it then

Mike - how are they not dating

Mike - anyway within about a minute of them being in the room

richie annoyed eddie, annoyed the teacher and eddie looks like he's about to fight riche in the middle of class

Bill - what did he do to the teacher

Mike - 'sorry we're late sir, we were being super awesome students and cleaning up some trash' to which Greta said 'aren't you trash, tozier' and richie just winked at her and then Mr h so

Bill - wtf

Mike - yeah

Mike - eddie just rolled his eyes

Bev - what's happening now

Mike - they're passing notes back and forth

Mike - im tryna see what they say

Mike - the two of them sit in front of me

Stan - didn't mr h separate them or something?

Mike - he did and they ignored that

Mike - no one complains because when they're separated Richie just talks out loud to eddie

Ben - same in 3rd

Ben - I am so surprised they don't have constant detentions

Stan - richie especially

Bill - no one wants to deal with him for longer than the hour

Mike - one note just said 'no' from richie

Mike - and eddie gave one back that said 'please'

Mike - apparently he convinced richie because he groaned, and very

dramatically threw his head on the desk. Eddie didn't even react

Ben - again, how do teachers not send him out every single class

Bill - it doesn't work

Bill - last time he got sent out he starred in the window the entire time and winked whenever anyone looked at him

Ben - im surprised they're allowed to be in the same class

Ben - don't they have every class together or something?

Stan - they have fourth apart

Bev - i'm with ben

Bev - they've been like this for years shouldn't the school do something lol

Bev - not that I want them to be separated

Stan - richie once told me that he said eddie had to be with him for support

Bill - he told me that he 'fucked the principle so good that' and i don't know how that sentence ended because i beeped him very fucking quickly

Ben - jesus

Ben - something is wrong with him i swear

Bev - somethings wrong with eddie to if he likes richie so much

Stan - tbh i wouldn't be surprised if richie used the gay card to be with eddie so much

Stan - he did it to me once so like

Mike - GUYS

Mike - I think they were just holding hands under the table??????

Ben - what?!?!

Mike - yeah they were sitting weirdly and then when it came to right richie sighed and pulled his hand out from under the desk

Mike - “eddie can you do my work for me?”

Mike - “why would i do that?”

Mike - “because im the hottest person in derry”

Mike - “you’re no mike”

Mike - both of them turned around and grinned at me. It was really creepy actually because it was so in sync

Bill - it’s weird when they do that

Mike - our teacher doesn’t care so we basically have free time for the next ten minutes, both of them spun fully around so they can talk to me

Mike - i am tyoing undrr the tablw

Mike - were talkibg bout work

Bill - lol

Mike - theu watchd a scart moviw last night

Mike - rich says ed ‘scremed likw a lil bitch’

Mike - ed sais that rich is full of shit

Bev - how do they not realise that mikes typing?

Bill - probably to busy staring at each other

Bev - honestly

Mike - omg

Mike - they’re ignoring me again because they’re arguing about which

flavour of popcorn is better. I hate being alone in this class

Stan - like i said, jackasses

Mike - why do they look like they're about to throw punches

Mike - im kinda scared

Bev - over popcorn?

Bev - actually i'm not even surprised

Bill - neither

Mike - we got worksheets

Mike - I've never really watched them before in class

Bill - creepy isn't it

Mike - the sheet has like twenty questions about the book we're reading. Richie flips the page over and does 11-20 while eddie does 1-10.

Bill - they do it in math as well

Bill - does my head in

Mike - give me a minute

Mike - okay so they finished their ten questions and then copied the other person's which means they're already done and im only on number 8

Bill - they mix up the answers just enough to get caught

Bill - i tried it with stan once and it's actually lowkey hard

Mike - mr H takes their paper and now they're free to do whatever they want

Mike - which is apparently whisper loud enough to annoy me

Bev - but that means you can hear them?????

Mike - I can't tell if they know I can hear them

Bev - better for us

Mike - e: can you please not be an idiot for two seconds

Mike - r: babe I love it when you beg me

Mike - e: oh please, you wish

Mike - r: I know, we talked about this last night

Mike - e: you couldn't talk last night you were to scared of the movie

Mike - r: I talked to mrs K all about

Mike - e: beep beep bitch

Mike - r: awww that was a funny way

Mike - e: literally couldn't care less

Mike - r: you wound me babe

Mike - e: sorry darling

Mike - okay side note richie's eyes went really fucking wide and he stopped tapping the desk when eddie called him that. I think eddie noticed

Mike - r: are you coming to the sleepover this weekend?

Mike - e: the one that all the losers are going to?

Mike - r: yeah

Mike - e: yes, I am coming to that sleepover unless my mother decides to be a bitch again

Mike - r: at least you're calling her a bitch, stick it to her. Now tell it to her face!

Mike - then he gets really serious

Mike - r: what did she do?

Mike - e: got annoyed when I came home with wet hair, said I wasn't allowed to go to the quarry again

Mike - r: did you tell her that you jumped in?

Mike - e: she would have packed me up and moved me to my aunts or something

Mike - r: she really hates me

Mike - e: she complains about you, oh, every day

Mike - r: not about how good I am at

Mike - e: beep beep

Mike - r: you're no fun

Mike - e: I'm a gem

Mike - r: I'll sneak you out if needed on Friday

Mike - e: sounds good

Mike - okay they've stopped talking and they are now playing tic tac toe

Bev - poor eddie :/

Bill - yeah his mother is

Bill - a lot

Stan - i'm surprised richie can sit still enough to play a game

Ben - so do they just sit in class for the rest of the period??

Bill - yeah usually

Bill - they're really quick

Mike - and im behind because I was typing so let me do this quickly

Bev - what are we thinking?

Stan - that they're both idiots

Stan - but we are all also idiots for being interested

Bev - lol what else there to do in Derry fucking Maine

Stan - true

Ben - they literally act like a couple and then act like the other isn't in love

Ben - hell, actual couples aren't as annoying as they are

Bill - wait, richie said not knowing if eddie was gay was something that held him back

Bill - but

Bill - he's known for sometime. I mean, I've known for like a solid three months and I'm pretty sure Eddie told rich first

Stan - he's just a bitch

Stan - a bitch in love tho

Bev - stan, that's so sweet

Stan - :/

Bill - he is sweet

Bill - he just likes to pretend that he isn't

L stands for Loser
Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

tHOzier - I have an idea

tHOzier - it's great

Spaghetti - It is not

tHOzier - shut up eds

Spaghetti - at least I can come up with actually good ideas

tHOzier - fuck you

Spaghetti - fuck you!

tHOzier - fuck you!!

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Mike - they're staring at each other while they type

Mike - I am so tired of them

Mike - one period of actively paying attention and I'm about to go off

Bill - if you do snap I will help you clean up the evidence

Stan - same

Mike - thanks guys

Ben - what are they doing now?

Mike - whispering to quietly for me to hear and I think they're holding hands under the table again

Bill - absolute morons

Spaghetti - beep beep bitch

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Bev - are they in class yet bill?

Ben - I'm like 90% sure I just saw them walking past my class so I'm saying no

Bill - yeah they're not here yet

Bill - they just arrived

Bill - that is definitely richies jumper

Mike - knew it

Bill - that's really adorable

Bill - it's like clearly too big

Bill - so we have a seating arrangement in this class which means I can't hear them but I can see them. They're like three rows ahead and a few seats to my left so I'm going to do the best I can here

Mike - again, how are they allowed to sit next to each other

Bill - remember? they were separated and they stayed away for about a week and then richie started getting fidgety and said he'd stop if he could sit next to eddie

Mike - and it worked?

Bill - he's less fidgety now for sure

Bev - i make fun of them but they are good at that

Bev - like calming each other down and stuff

Bill - richie is drawing on eddie's fingers

Bill - I've never seen him doing that

Bev - are you for real right now?

Bill - yeah

Stan - okay that's cute

Bev - can you see what he's drawing????

Bill - something in red pen

Stan - probably a dick or something

Mike - that sounds like richie

Bill - eddie just whispered something to richie and richie literally looked like he was about to die

Bill - im worried richie is just gonna propose

Mike - middle of maths? Most romantic place there is.

Bill - we just got our sheets and they're doing the same thing

Bill - eddie is doing the first page and richie is doing the second one

Bev - i wonder how long they've been doing it?

Stan - since the beginning of high school

Mike - really?

Stan - yup

Mike - that's intense

Mike - so have you guys been dealing with this since you were like 12?

Stan - we've been dealing with it since we were all about 8 tbh

Bill - they were in love before they even knew what it was

Bev - cute

Stan - gross

Bill - they've got their feet crossed under the table?

Bill - like crossed over each other

Stan - how can they be that stupid

Mike - it's almost impressive

Ben - like how they sit in the hammock

Mike - they're literally going to need us to force them to be together before anything happens

Ben - mike get that weird gun

Stan - i think that's illegal

Bev - if we explain it to the cops they won't mind

Bev - "sir, we had to hold them at gunpoint because they've refused to share their feelings and it's been years"

Mike - they'll understand

Bill - eddie is making love eyes at richie now

Bill - but like also that's just how they look at each other

Stan - call them out

Bev - lmao

Bev - what are they doing now

Bill - literally nothing

Bill - they're just sitting there

Bill - oh they're sharing headphones, I couldn't see it before

Mike - who's phone?

Bill - richie has the orange case right?

Mike - yeah

Bill - richie's phone

Bill - both literally look high right now

Bill - oh shit the teacher is going over to them

Stan - are you allowed to listen to music?

Bill - no

Mike - what's happening??

Bill - the teacher told them they couldn't listen while working and they handed their papers to her without really talking

Mike - richie not talking??? Wow

Bill - hang on

Bill - she looks the answers over and says that they still can't listen to music in class

Bill - richie says "but miss I made this playlist for my BFF eds here and we haven't had a chance to listen to it!" Mrs L was like "doesn't matter" and richie goes "you do know what a mixtape is, right?"

Bev - a mixtape??

Stan - they have a few

Bill - Mrs L goes 'yes, Mr Tozier, I am aware' and richie says 'so you're going to let us listen to the music?'

Bill - "give me your phone" "oh but miss how will I know when to take my birth control pills?"

Bill - and now Richie is standing in the hall, mrs L has Richie phones

and both of them are pouting about it.

Bill - he keeps looking in the window

Bill - mrs L told him that he could either stop or go to the principal

Mike - god if richie goes to the principal again he's gonna get suspended or something

Ben - yeah he's gotten so many detentions this semester

Mike - please tell me he stopped

Bill - he looked at eddie who from how tense his shoulders are I am assuming was giving richie his best death glare. He nodded and stepped back.

Stan - Richie's punishment was being sent away from Eddie

Ben - true love

Bev - we need to use eddie to control richie more

Stan - i've never seen it work irl

Mike - I'd like to see it

Bill - eddie looks sad

Bill - he just looked at me and rolled his eyes nvm

Bill - he came back in, finger gunned at me and then sat back down beside Eddie. They're whispering something

Ben - what's the vibe?

Bill - both look pretty chill

Bill - richie handed eddie his phone and eddie didn't even look surprised

Ben - I don't think anything can surprise them when it comes to each

other now

Mike - what are they doing now?

Bill - they’re still whispering

Bill - They’ve stopped

Mike - oh god I can’t imagine what they’re talking about

Bill - Richie nodded

Stan - I feel like this is going to end badly for us

Bev - richie looks pissed off and eddie is sad

Mike - she found out that richie is gay

Mike - well Bi but I don't think she cares

Bev - this sleepover is going to be

Bev - amazing

Ben - we can’t just go ‘now kiss’ tho

Bev - no but we can lock them in a closet for seven minutes

Mike - or dare them to sit on each other’s lap

Bev - seven minutes in heaven with no shirts

Ben - how are you going to get them to do that

Bev - when I dare richie to go into the closet (lol) he’ll say it’s easy so I’ll ask him if I want him to up the challenge. Eddie will say no but richie will say yes. I’ll dare them to both take off their shirts. If I can I’m going to try and get them to take off their pants as well

Ben - I'm dating a psychopath

Bev - you're dating a very clever person is who fed up with richie talking about his 'unrequited crush'

Mikey Moo - that is true

tHOzier - ugly as well

Mikey Moo - also true

billy bill bill - I never pegged you for a farm guy

Stanny the Manny - I also pegged him as a dumpster behind a liquor store in New York kinda guy

tHOzier - that's really rude

tHOzier - I am clearly a dumpster behind a high-class restaurant guy

Stanny the Manny - gas station

tHOzier - 7/11

Stanny the Manny - club that was popular in 2007 but has since fallen into repair. The owners were hipsters but now they're just depressed and broke jerks who drink the cheapest brand of kombucha and do coke on special occasions. They live in the club and it's only open on Sunday's now because they both have late shifts as cleaners at the local walmart and target every night.

billy bill bill - what the ever-loving fuck Stan

bad bitch - I did not expect that from Stanley

Mikey Moo - uhh

Stanny the Manny - we never had a chance bill

billy bill bill - lmao

bad bitch - this is way more fun

Stanny the Manny - as much as I hate to admit it. Yeah.

Private Message Between *Richie* and *Maggie*

baby - heyyyyy

Mom - what did you do

baby - nothing

baby - but

Mom - oh god

baby - I need to ask you something

baby - well eddie and I need to ask you something

Mom - ok

baby - can eddie come and live with us

Mom - haha

baby - I'm being serious.

Mom - like you were serious when you were nine because 'mom we can't live in different houses anymore because we can't listen to the same music'?

baby - his mom kicked him out

Mom - what?

Mom - Richie start from the start please.

baby - so eds is gay right, I think you knew that because it's kinda obvious (look at his shorts and be real). Anyway, the bitch found out that I am gay today and was all 'you can't hang out with that boy because he'll make you sick' because she's awful and part witch. Anyway, eddie got home and she starts yelling about how being gay is evil and how eddie needs to stop talking to me. Eddie, my brave little eds, decides to come out to his mother then and there (he only just told our friends mind you: brave). The bitch told him that he has ten minutes to get whatever he needed and to get out until he wasn't sick anymore. He grabbed some things and came out, see I knew something was going to go wrong so I was parked outside his house. We're sitting outside our house right now.

Mom - oh my

Mom - I did now.

baby - can he at least stay the night

Mom - he can stay as long as he needs to. I'll call Sonia and let her now

baby - she doesn't deserve that

Mom - come into the house richie and we can figure it all out.

baby - aren't you going to tell me off for swearing?

Mom - calling Sonia a bitch? No, I'm not going to. You're right.

L stands for Loser
Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

tHOzier - no offence eds but your mother kicking you out is awesome

#whenwillreddiehappen
Beverly, Stan, Mike, Bill, Ben

Ben - holy shit!

Bev - what the fuck

Ben - omg

Stan - okay this keeps getting better and better

Notes for the Chapter:

6. Chapter 1: The ‘it’s time to fucking party’ Part

Notes for the Chapter:

Hey, it's party time.

L stands for Loser
Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

Benzo - hey, quick question. I know we’re all talking about how eddie is living with richie and stuff but like

Benzo - what did you mean when you said that you fought a clown in a sewer?

Benzo - is that code for something or like

tHOzier - I keep forgetting that my darling Ben wasn’t there

bad bitch - no, it actually happened

Stanny the Manny - summer before you came to town

bad bitch - it was a ride

tHOzier - so it starts because Bill’s brother Georgie went missing one day

Benzo - the Georgie that cashed our sleepover the other week

tHOzier - he came back

bad bitch - you’re getting ahead of yourself.

billy bill bill - but yeah he is back

Mikey Moo - how have we not told ben this yet

Stanny the Manny - trauma

tHOzier - let me tell the story

tHOzier - so baby G goes missing and the entire town is like ‘shit we should find this kid’

billy bill bill - yes, that’s what we were thinking

tHOzier - everyone is out searching for this kid and it’s getting dark. People are scared

billy bill bill - normal response to a five year old going missing

tHOzier - then, at like 10pm that night, a dude tries to snatch bevey-boo

bad bitch - he didn’t try to snatch me. He took me

tHOzier - but we were there and literally watched this happen

bad bitch - yet he managed to get me

tHOzier - shut up bev

tHOzier - so we followed him because we’re fucking brave as shit

billy bill bill - you whined the entire time that you were going to die

tHOzier - brave as shit. So we get to the sewers and clown is already inside. Eds is about to have a panic attack

tHOzier - he wants me to say that his name isn’t eds

Stanny the Manny - he doesn’t want you to say that he didn’t almost have a panic attack?

Stanny the Manny - I mean he did but still.

tHOzier - he’s realistic. Anyway, we go into the sewer.

Mikey Moo - we really should have called someone

tHOzier - and after a few turns we find this dude plus Bev and baby G

billy bill bill - best feeling ever

tHOzier - clown is all ‘now I have all these kids to eat’

Benzo - what

Stanny the Manny - he isn’t lying about that

billy bill bill - direct quote

Benzo - wtf

tHOzier - billyboi just goes fucking apeshit

billy bill bill - big brother instinct

Stanny the Manny - the big brother instinct is to grab a pipe and beat a man dressed as a clown holding a knife?

billy bill bill - yes

Benzo - knife?

billy bill bill - yes

tHOzier - we all get in on the action and start whaling on this dude.

Benzo - what the actual fuck

tHOzier - he spat blood at eds at one point and eds went fucking feral. I swear he dented that fuckers head with the hit he landed.

bad bitch - it was dented in court still

Benzo - court?

tHOzier - we do what every normal group of kids would do. Bill grabbed baby G and the rest of us dragged the clown out of the sewer. Some of the search party happened to walk by when we did.

Stanny the Manny - they were shocked

tHOzier - he was arrested, he also almost died, and was sentenced to like kidnapping and he was like a crack addict as well

Benzo - you’re fucking with me

Benzo - wait

Benzo - I read a newspaper article about this

billy bill bill - doesn’t have our names because our parents said no

Benzo - nah

Benzo - you’re fucking with me

Stanny the Manny - we are not.

Benzo - hoooooly shit

billy bill bill - I'm speechless.

bad bitch - dear lord

Stanny the Manny - No. No. I can't deal with this.

Stanny the Manny has removed tHOzier and Spaghetti from the Chat

Notes for the Chapter:

> You all guessed it. You all got it. But here it is. Yes, they've been together the entire time! They're in love!
>
> Okay, the next 10 chapters are different: They're adults now. I've enjoyed writing this so I wanted to extend it but here's the problem: I can't make it set in 2030whatever because I am not from then. SO we're ignoring how time, technology and memes work in order to make this work. They are going to be ~40 but it's still gonna be ~2019. Memes are similar, techs the same, Twitter is still a thing (wink wink). They're going to be more than just Group messages (wait to see the first 3 chapters lmao, I had fun with them). Okay? So, don't worry about it that much. It's crack, right?
>
> Anyway, see in you 27 years (ie two days).

11. Chapter 2: The '"Richie TrashMouth Toizer; Childhood Memories" Transcript part 1' Part

The lights come up. An empty stage is lit up, people are cheering and clapping.

Overhead Narrator

Ladies and gentlemen; please welcome, Richie Trashmouth Tozier!

The lights flash on and off rapidly as Richard comes onto the stage, waving at the crowd and blowing kisses. He stops when he gets to the microphone stand in the middle of the stage, waving for another minute before stopping. The crowd cheers a while longer.

Richard Tozier

Hi! Hello. Thank you guys so much for coming out. Not sure why you decided to come, but I am glad you did. I'm glad you're here because my husband-

Richard points directly in front of him

Richard Tozier

-really wants a new car. Has been pestering me for weeks about it. Apparently ours isn't safe enough. Even though it's one of the safest out there. But I'm a-

Richard changes his voice to mimic Edward's

Richard Tozier

-"a bad driver who is going to get us killed one of these days." Which, I think is pretty rude, to be honest. Anyway, you guys all paid to come here and that money is going to buy my husband a tank or some other weird vehicle that won't roll if I crash, going ten miles an hour down the LA roads. If you see a tank on Sunset Boulevard it may just be us. You did pay, right? No one snuck in here? Cool. Let me say, I have no idea why any of you decided to come here. Where

you sitting at home like -

Richard changes his voice to mimic a deep, manly voice

Richard Tozier

-"honey, we should go and see a show. We could go to John Mauleny, a legend. Very funny, a person who's respectable, wears nice suits, has his hair done and doesn't talk about dicks every five minutes. Or we could go to see, uh, Richie Trashmouth. Who wears ugly clothes and is not respectable at all. He talks about dicks all the time. We're basically paying for a badly dressed, depressed man to wax poetic about his husband." What brought you guys to me? Maybe John charges to much. I was right though, you did just pay to listen to me talk about my husband. Whom I love very much. He is also the reason why I just said 'whom' because when he read the script he told me that he was surprised I passed English. He also said that to me while I was passing English. Well, might I add. I even helped him with his homework because I am a good boyfriend and because he refused to make out with me until it was done.

The crowd continues to laugh, as they have been doing. Richard waves at the front row again.

Richard Tozier

My darling husband, Eddie, I feel like I should tell you his name. Is sitting right there; front row. I can't actually see him because the lights are on but I can feel his energy. Soulmate stuff, you know? I also booked the ticket for him so I know where he's sitting. Surrounded by him are our best friends, all five of them. Yes, that's right, my husband and I have five whole friends between us. We're very good at being adults. Kidding, we are not. A light bulb blew in our house and instead of fixing it I pulled out one of our unused lava lamps and that was the light in that room. We never fixed it. It stayed like that for about a year. We also have a cupboard full of unused lava lamps. Anyway, ignoring that, let's talk about my friends. You actually know a few of them, anyone know Beverly Marsh, the wonderful fashion designer?

The crowd cheers

Richard Tozier

Yeah! She's right there. She was the first and only girl I've seen in underwear. I love her, she's the best. I used to call her mom when we were kids. Sitting next to her is Ben Hanscom -

The crowd cheers again

Richard Tozier

You know Benzo? Good. He's amazing, and he's hot as shit. He's the best guy I have ever met in my life and I married a dude. Bev lucked out. Don't worry; I asked Eds if I could say that and he said yes because he agreed. Next to Ben is Mikey, who owns his own fucking library. Like, he just has a library in Florida, I didn't know you could own libraries? But he does and he is second only to Ben in terms of niceness. I have awesome friends. Mike's the kind of dude who stops when have to tie your shoelace and doesn't complain about you. Isn't that amazing? I am not like that. Next to Mike is my main man Stan. Who was Atlanta's youngest accountant. No, wait; youngest and most successful. That may be so but he will never be as successful as my childhood ticktok account. Don't worry about that either; Stan and I have been making fun of each other since we were about seven. I love him and he loves me but refuses to say it. Don't worry Stan, we all know it, but I'm not available. And then we have Bill, or maybe you know him as William Denbrough.

The crowd cheers again

Richard Tozier

Yes! I am friends with him. He's awesome and put up with Eddie Spaghetti pining over me for years so like, he's patient as shit. Unofficial leader of our friend group. You guys know his book; In the Underground?

The crowd cheers again

Richard Tozier

What would you say if I said that was based on real-life? No, I'm dead serious. See, all seven of us have been best friends since we

were kids. Stan, Bill, Eds and I became friends in kindergarten, the others joined at the beginning of middle school. Isn't that crazy? I have known, and loved, my husband since I was five. Five! When people ask how we meet it's weird because we don't really know. We know we meet at school but that's as far as we can get. Some people get annoyed at us for not knowing what it was like when we first met! Why the fuck would I remember anything from before I was like ten? I've tried to block out everything from before I was about fifteen because I was weird as fuck. And like, I'm weird now but you should have seen me then. Ok, anyway. We were all friends and stuff. Then Bill's brother goes missing, and then Bev is snatched by a dude wearing a party-city clown costume and all seven of us go off to fight this fucker. Why? I don't know, we were like twelve. But I mean, we did it. Got Bev and Georgie back; no one was eaten. I call it a win. I also got to watch my now-husband, who I was crushing on hard then, kick a grown man dressed like a cheap clown in the face. It was really fucking hot. But yeah, in Bill's book the clown was like an alien demon but in real life, it was some crack addict hillbilly who ate kids in sewers. Childhood was fucking weird.

The crowd cheers again. Richard takes a drink

Richard Tozier

My manager asked me if I had anything to talk about from my childhood that I could talk about. I said not really. She said 'there's gotta be something relatable about your upbringing, anything!' So, here's my childhood and we can see how relatable it is for you guys. Clearly I am into guys since I married one and talked about another's attractiveness at length. Both with you guys and my husband daily. Anyone relating?

Some people in the crowd cheer

Richard Tozier

Okay, that's a good start. I'm glad that I seem to be drawing my fellow gays. Any homophobes here? That'd suck but also it'd be kind of funny. Love making them uncomfortable. So does Eddie and that's why we've been going to anti-gay protests and making out in front of them since we were about seventeen. Moving on, anyone here from a

small as fuck town that seems to be stuck in 1954?

Some people in the crowd cheer again

Richard Tozier

That's good. Nice. Anywhere here fight a man in a clown costume in the sewer?

People in the front cheer

Richard Tozier

Anyone who isn't my friends? No. I had a feeling. Okay, small as fuck town, gay, or well technically bisexual I guess. Nice. My manager will be happy with me. Anyone else keep their relationship a secret for a year, not because of homophobia, which was a thing, but because you wanted to see how long it would take your friends to figure out that you're dating another one of the friends? But then after a month, it's a bit too awkward to bring up so you just decide to keep hiding it. And then gets boring so you start raising the stakes like taking girls on fake dates, shout out Madison who figured out Eddie and I were a thing before our best friends. No? Well, I mean Eds can relate I guess. Because that's we did. We made out multiple times just out of eye site but no one could figure it out. I used to sneak into Eddie's house every single night and then he moved in with me! We were living together and he slept in my room but our friends couldn't figure it out. They thought we were dumb, pining baby gays. And, we were, but only until we were like fifteen. I'm being mean and I am sure that my friends are glaring at me right now. Again, can't see them. Anyway, we were good at hiding our relationship which is so fucking sad. But we lived in a homophobic town and Eds got shit from bullies enough for just looking gay. He did look gay though, like don't bully people or whatever but he did look gay. Still took me about ten years to figure it out. But that's more because I'm an idiot. I know he is gay but he literally couldn't get more stereotypical. So as soon as we turned eighteen we were out of that fucking town. Fuck you, Derry. We all moved to LA first, but within like a year before had gone their own ways. Mike moved to Florida, Bill and Stan to Atlanta. It sucked so much! We had lived in the same place for our entire lives and suddenly I could bike to Stan's house to annoy him at three in the

morning. I'm a really good friend if you couldn't tell. At least I had my Eds. I'm sure he's groaning because he absolutely hates that name. Well, he says he hates it but I know him quite well. He loves it.

Edward yells that he doesn't. The crowd cheers again.

12. Chapter 2: The '"Richie TrashMouth Toizer; Childhood Memories" Transcript part 2' Part

Notes for the Chapter:

2/3!

Richard Tozier

I haven't actually described my darling husband to you and I feel like I should. First, he's short as shit. Don't worry; I tease him about this all the time. He has a fear of germs and illness, not just a fear but a legitimate phobia, and he is as a nurse. With sick kids. This man works with ill, kids all day and is fine but then he comes home and I have to wash my hands before I can touch him. He's kind of crazy. And it's not his fault. It's his mother's, whom I hate more than anyone else in the world. I hope you're watching this Sonia. And if you are watching: fuck you, love that Tozier boy. See, when we were kids Sonia convinced him that he was dying. All the time. She convinced Eddie that he was sick, that he would get hurt if he did anything, that he had all these allergies, that he had asthma, that he needed to take about a hundred pills a day otherwise he would drop dead. It got to the point at one stage where Eddie couldn't eat out and I'd have to bring food when we went out. Obviously we don't have time to go over all that. But one-day Spaghetti found out, stuck up for himself and told his mom to go fuck herself. I was so proud. We weren't dating yet, but I can vividly remember Eddie turning up at the clubhouse practically vibrating with rage. All three feet of him. He was ranting about gazebos and lying, all of us Losers were just sitting there nodding along because we didn't want him to start yelling at us. Notice I said gazebos, well he got that confused with placebos. It was a confusing few minutes for all of us until Stan asked what a gazebo is and Eddie yells "IT'S BULLSHIT!" before hitting me because he was angry at the world. He's very cute. In the end, he stopped taking so much medication. That was also when we found out the ADHD pill was very much real and he needed definitely needed it. That week was fucking wild as shit. She was homophobic and tried to convince Eds that he wasn't gay, he came out to her and was promptly kicked out of the house. You sound very sad, I was not.

It sounds mean but Spaghetti came to live with me! I was so happy. We had talked about living together since we were about six and it was finally happening. And I hated his mom, even though I constantly joked about having sex with her. Yeah, I joked about that a lot. I didn't get the nickname Trashmouth for nothing. Yeah, so that all happened. Anyway, when we were kids Eddie used to wear a fanny pack. A fucking fanny pack! How amazing is that? I used to make fun of him all the time. But can you blame me? No, you can't. Eddie is also really fucking funny, which is really annoying because I'm the comedian. He's a nurse, yes, I married a nurse. Well, technically I married a nursing student but whatever. People never believed that someone educated would marry me. Eds says that makes sense. My husband spends his day saving children, literally saving them. I spend my day making you dumber. I'm serious, every ten minutes you listen to me talk loses you one IQ point. Anyway, I married a sexy nurse who is funnier than I am. He was reading some ideas for this show and I could tell that he didn't like them, he changed a few lines and suddenly the entire show is ten times funnier. What the fuck? Like, piss off babe. He's also super judgemental, but he's cute enough that it doesn't come across as mean, it's like being told off by a puppy. I have spent my entire life trying to make Eds laugh, and I am not very good at it. So if a joke makes Eddie laugh it's in the show. Fuck everyone else. The joke about the tank from before? That made him laugh so I opened the show with it. I kinda hope there are some homophobes out there right now, I love making them uncomfortable by talking about my husband. It's even funnier when I talk about all the sex I have with him. Okay, I've been talking about Eddie for a while so maybe I should switch it up.

People are laughing and cheering. Richard takes a drink. He then swings the microphone around a few times

Richard Tozier

Wait, one more thing about my husband and me. Okay, so clearly we're both into guys; it'd be awkward if we weren't. This means that we both came out. I came out at thirteen after seeing Beverly Marsh in her underwear and going 'nice' and then looking over at Eddie Spaghetti and, sorry guys, Stan, and thinking the exact same thing. I

am one hundred per cent positive that Stan is about to walk out. It was mainly Eddie but whatever. For about a month I was freaked out, made way to many pussy and mother-fucking jokes. And not like mother-fucking jokes, I was joking about fucking Ed's mom. Don't ask. They were funny though. I came out to them, all is good. I've been crushing on Eddie this entire time but just released this. Boys are dumb, okay? Let me live. Then, about two years later Eds and I are at my house, messing around because we're best friends. Eds isn't out yet. This is because Spaghetti hasn't realised that he's gay. We're playing truth or dare on my phone and Eddie gets dared to kiss the hottest person in the room. There are only two people in the room so, like, he's got to kiss me. We kiss, passionately and quite a few times. Then Eddie, my darling sweet Eds, goes "I need to talk to you" and me, being smart, assumes that he's in the middle of a gay meltdown. He is. It is a quarter to eight at night and I finally ask him to be my boyfriend. Guess what he says? No. The little fucker said no. So I'm sitting on my bed shell shocked because I thought he was going to say yes. I did just awaken his gay side. I, according to Eds, get pouty when I'm sad. He saw this, asked why I was sad and was very confused when I said 'you just turned me down'. Turns out he thought I was joking. At ten to eight, I asked him to be my boyfriend, again. Guess what he said that time? Yeah, he said yes. Bev was right, we were sad useless gays. And then the exact same thing happened when I proposed. Which, I can understand because we used to pretend to propose to each other to get free desserts so he thought I was doing that. I didn't realise he thought this. I gave him a ring, we got a free cake, and then about a week later I asked him when he wanted to get married. Cue us being really fucking confused for about an hour. We were engaged for an entire week before he knew! Okay, now we can move on.

People cheer. Richard smiles at them and takes a drink. He points at a random person in the audience.

Richard Tozier

You enjoying yourself? Wait, hold up, how old are you? It looks like you're about twelve.

The person responds back that they're fourteen.

Richard Tozier

Fourteen? What the fuck are you doing at my show? Wait, shit I shouldn't swear. Fuck, okay, what the hell was I doing at fourteen? Let's see, I was pinning and being a jackass. Uhh, making your mom jokes and I was not at an actual comedians show. Are you here with your family?

The person responds back that they're with his girlfriend.

Richard Tozier

Aww and I just embarrassed you in front of her. Called you twelve, which is the worst insult possible when you're fourteen. Sorry about that. Hopefully, the date is going well. Are you enjoying it?

Both of them respond that they're having a good time.

Richard Tozier

That's good. I wouldn't want to ruin your date. I ruined so many of my friend's dates. Eds and I would just turn up. Okay, to be fair I would tell Eddie that we were going on a date and then we'd crash it but he didn't know that. The amount of times Beverly got me kicked out or banned, from cafes in LA is intense. I am not allowed in so many places. Not just because I crashed dates. Once I got a drink thrown at me by someone because I tried to catcall Eddie and he thought I was trying to catcall him. It was a whole thing but in the end, I was kicked out because I told him that he looked like a squirrel with aids that had been run over. I don't know, apparently that's not appropriate. Are you guys having fun? I hope so. I do like my job and in order to keep it, I need you guys to have a good time. Leave me a nice Yelp review or something, okay? Okay, what was I talking about before? Oh, being relatable. Did you guys know that I wanted to be a ventriloquist when I was younger? That's not very relatable but I feel like you should know that about me. I know, what a weird choice. But I could do lots of silly voices, I thought I was amazing at it but I wasn't because I was fucking nine, and I really liked puppets. Those are the only skills needed to become a ventriloquist apparently. Saying that out loud I just realised I listed liking puppets as a skill. Actually, you know what? I am right. Eddie's probably glaring at me

again because that wasn't very funny.

People are laughing. Richard winks at the front row

13. Chapter 2: The “‘Richie TrashMouth Toizer; Childhood Memories” Transcript part 3' Part

Richard Tozier

I hope I just winked at my husband. You know what I love? True crime shows. I binge watch those shows all the time, absolutely love them. There are about a thousand different shows with about a million episodes each, which means that there have been about a billion wacky murders. When I’m out for a show I will go to sleep listening to forensic files. Eds doesn’t let me do it at home, I mean we watch it together, but he doesn’t let me go to sleep with it on because he says that makes me as bad as the killers.

Richard makes a face causing the audience to laugh louder. He then switches so he is mimicking a true-crime presenter.

Richard Tozier

“On April 6th, Mary Anne was walking home from the store. Who knew that there would be a nasty surprise waiting for her by her car?” The nasty surprise is that she got fucking stabbed in the neck, Keith. “You found your brother’s body in a lake? That couldn’t have been very fun for you.” No shit, Keith. “Why did you do it? Why did you eat your victim’s fingers?” I don’t know if I want to know the answer to that question, Keith. The laughter is getting awkward which means you guys don’t want to think about serial killers or cannibalism. And, okay, I can see why. They’re not exactly light and fun subjects. See, this is why you should have gone to John Mauleny; he doesn’t talk about murder as much as I do. But you guys are broke and John’s expensive so you’re stuck with me and my shitty murder jokes. Fun fact about that clown I brought up early, he was a cannibal but Bill couldn’t say it because he had a stutter so he used to call it a people-eater instead. That wasn’t in his book. Shit, no, I’m supposed to be relatable and I don’t think cannibalism is relatable to the vast majority of, well, everyone. Okay, you know what is relatable; buying a fucking house. I hate it. Fuck the entire property industry. It took us four months to find a house that we both liked. Which translates to, it took Eddie Spaghetti four months to find us a

house that he liked. When we were kids, I told him he was going to be my sugar baby when I was rich, he said to fuck right off. Well, guess who just bought him a house? His sugar daddy. Kidding, I don't want him to be mad at me later. Angry Eddie means no sex for me. No, but we were really picky about what house we wanted. Had to be close to the hospital, had to be big enough that all our friends could come over, had to have security. One of our houses didn't have any security and we came home to a fanboy on our bed. That was fucking wild. I don't know if any of you have brought a house before, I'm sure Mr Fourteen and his girlfriend haven't, but it's the weirdest thing. Also, way too much money.

People cheer. Richard changes his voice to mimic an overly happy-sounding lady.

Richard Tozier

"Okay, we have a lovely little bungalow. Three hours outside of LA. One bedroom, no bathroom and half a kitchen. A man was murdered in the garden and it was once owned by Satanists. The neighbours are meth dealers and metalheads who only play their music at night time. Also, the house has termites and may fall down during a mild storm. But it's in the price bracket, it's only one million." What the fuck LA? Anyway, after four months of open homes every single weekend we found a house. It is nice though, big windows which are important apparently. Eddie said something about vitamin D and when I made a perfectly innocent and very funny joke he got angry. Do you guys want to hear it?

The crowd cheers

Richard Tozier

See, Eds, they want to hear it. Honestly, he's so ungrateful. Anyway, my amazing joke was this: 'all the vitamin D you get is when the blinds are closed!'. Amazing, right? Eddie didn't think so and neither did our real estate agent. Or the house's agent. Or the other couple that was at the showing. Eds once asked me if I ever embarrassed when I was in public and I had to remind him that it is literally my job to be a dumbass in front of the whole world. You guys just have to pay for it. He has to put up with this forever. I feel for him because

I do not change. This is how I am when we're together and alone. You guys pay and only deal with it for an hour, and sometimes I see people leave halfway through. Eddie has put up with it since we were kids. I am being dead serious when I say that I am this crazy off stage, my nickname is Trashmouth for that reason. I've been Richie Trashmouth Tozier since I was about ten years old. Spaghetti is a fucking champ. You know how I said that he read the script? He told me this was the best part of the whole show so I think we all know how Eddie feels about it all. I love him so much. It's frankly ridiculous. Our friends once told us that we were co-dependent but also the opposite which makes no sense but hear me out. Apparently we're dependent on each other, which is true. I went on tour for three weeks and both of us hated it so much I called my manager and told her that I'd never do it again. We haven't lived apart for more than a long weekend since we were sixteen, so I guess that does that a person. But, on the other hand, again this is all according to our friends; not me, as soon as we're together we stop acting like people.

Richard makes a face, before laughing and swinging the microphone around while the crowd laughs. It hits his side causing Richard to grunt and the crowd to laugh even more.

Richard Tozier

Fuck you too then. Anyway, to put it another way, we're kind of crazy. I think I should be offended but, to be honest, it is very true. And we fucking live together; again, we had to pack two boxes of lava lamps when we moved. We both have ADHD and sometimes when we were kids we'd go through these periods of absolute insanity. Well, to be fair, most of our childhood was insane. I remember once, for context we had an underground clubhouse with a hammock in it and this was before we started dating but were both crushing. Anyway, I was in the hammock and Eds decided he wanted a turn. Because I am a little shit I didn't get out and told him to go fuck himself which really meant 'I love you' but in 12-year-old boy language. Eddie Spaghetti, also being the little shit he is, decided to climb into the hammock with me. We did not fit. This did not bother either of us. He started kicking me in the face, but, lightly because he loves me I guess, and stole my glasses so I was blind as shit. He then proceeded to kick me in the face again. I'm laying there praying that

I don't get a fucking boner of this because he is lying in between my legs and that would make this really fucking awkward. And then he fucking smiles at me; asshole. And I'm like oh shit, he's about to feel my boner. So I did the only thing that seemed logical at the time. I flipped the entire hammock over so we feel out. Really smart move. Okay, remember how I said the clubhouse was underground? Well, the entire floor was covered in dirt because of it. And remember how I said Eddie was afraid of everything? Dirt was one of his fears. He started attacking me, and I fought back because I was a dumb 12-year-old. On the outside, I was acting like it was all fun and games but internally I was freaking the fuck out because oh-my-god he's touching me! This is amazing! Later when we were dating I told him all of this, adding the fact that I jerked off to it when I was a bit older. He was not impressed with that. And like I said, angry Eds means no sex so that fucking sucked for me. Other times we would intensely fight for three days straight, and I mean it. We would be at each other constantly, no hold barred even though we were in love. And then on that fourth day, we'd sit in the hammock and discuss comic books like nothing had happened. We were always so cuddly afterwards. I don't know how our friends put up with it but it does explain why Bill killed me off in his book. Thank you and good fucking night!

The crowd cheers loudly, people are standing and clapping. Richard jumps off the stage and pulled Edward from his seat. This is projected on the screen on stage. The cheering gets louder when Richard dips Edward in for a kiss. They two of them leave, moving backstage as the crowd continues to cheer.

15. Chapter 2: The ‘the wives of It take centre stage for a moment because I love them' Part

The Wives Club
Beverly, Patty, Audra

Patty - when is it wine night?

Beverly - good question

Audra - I get back on Wednesday. So Thursday?

Beverly - No husbands.

Patty - Absolutely.

Beverly - Richie is going to be annoyed that we didn’t invite him.

Beverly - Oh well.

Audra - Not our problem. He’ll complain to our men, not us.

Patty - Exactly.

Beverly - Oh! I’ve finished the sketches for the dresses.

Audra - For the movie premiere?

Beverly - Yup!

Patty - I can’t wait to see them :)

Beverly - Hopefully you like them

Audra - I’ve never not liked your dresses.

Audra - I’m about to start filming again. See you all on Thursday!

Patty - <3

Beverly - See you soon!

Patty - Bev, Stan wants to know if he's wearing one of your suits?

Beverly - obviously. We're all kind of matching

Patty - Lovely!

Private Message Between Eds and Richie

Richie - I still think that my name should be Rich in your phone

Richie - because you love me and because $$$

Eds - Do I know you?

Richie - Eddie gets off a good one.

Richie - Whatever I actually need to talk to you.

Eds - and that's how you decided to start the conversation?

Richie - it just came up

Eds - I'm about to go back to work so make it quick

Richie - we should get married

Eds - we are.

Richie - yeah but we should get married again.

Eds - are you trying to divorce me? Because no.

Richie - is that how you would respond if I said I wanted a divorce?

Eds - yes.

Richie - do you think it would work?

Eds - I know it would.

Eds - are you trying to divorce me or not?

Richie - I am not BUT if I was it wouldn't work

Eds - man you are so whipped it would totally work.

Richie - if I'm divorcing you it means I'm not whipped anymore so checkmate.

Eds - you've been whipped since you were about then it's never going away

Eds - checkmate.

Richie - don't checkmate my checkmate.

Eds - I just did

Richie - and I told you not to

Eds - do you need to talk to me or not? Because this conversation is literally pointless.

Richie - Not pointless, I now know how'd you reply if I did try to divorce you.

Eds - true. But that's not happening right now so

Richie - right but I still want to get married

Eds - like I said, we already are.

Richie - remarried

Richie - it's a thing

Eds - for weirdos yes

Richie - our first wedding was perfect but it was just us and the losers and my parents our second wedding could be us and the losers and my parents and a lot of famous people.

Eds - you want to get remarried because you want to invite famous people this time?

Eds - that's the dumbest thing you've said.

Richie - but it's brilliant

Eds - maybe

Richie - oh shit are we doing it????????

Eds - maybe

Richie - oh shit we are!!

Transcript of: **Buzzfeed Celeb: Richie Tozier reading mean Tweets.**

Richie is sitting in front of a light pink wall, a clear bowl filled with strips of paper sits in front of him

Richie

Hey, I'm Richie Tozier and you're watching me read mean tweets on Buzzfeed. I am sure that the majority of these are from my friends and husband so let's see what they have to say about me.

He reaches into the bowl and pulls out a piece of paper, changing his voice to mimic different characters each time he reads a tweet

Richie

Eddie Tozier, my husband in case you were wondering, says: "Richie is hot, yes, but in an ugly way." I don't know what that means so I am only going to acknowledge the first three words of the tweet. I am hot, thanks Eds. Does he actually think I'm ugly? If so, sucks for him because he's stuck with me. Death do us part, bitch.

He reaches into the bowl and pulls out a piece of paper

Richie

Oh good, *sighs* , Richie Tozier is Straight. I love this account. We fought just last night, follow me to see more of that; @RTozier. Okay, this tweet says: "Richie is cool and funny, it has been scientifically proven that gay people can not be funny." First, please stop calling me straight it makes me nervous. Secondly; I would absolutely love to see that study. Third: that's not even true. Gay people are funnier than others because we have trauma and shit. The moment Eds and I kissed I got funnier, that's gay power, baby. Fourth, this is super homophobic or whatever.

He reaches into the bowl and pulls out a piece of paper

Richie

Up next we have Ashely Franks who says: “Richie Tozier is overrated, period -” It’s not a full stop, it says period. “-he just makes dumb jokes that twelve-year-old boys laugh at.” Ashely is just mad that her boyfriend liked my dumb jokes. She wishes that he was more classy. Sorry, Ashely, he likes dumb sex stories.

He reaches into the bowl and pulls out a piece of paper

Richie

“Richie Tozier is a huge dick but he has a small penis. Crazy how that works.” Go and talk to @ETozier, he might have something to say about that. Actually he would probably agree with you. Even though it’s not true. See, this is the problem with only sleeping with one person; he’s biased and there’s no one else to back me up.

He reaches into the bowl and pulls out a piece of paper

Richie

“Tozier likes to act all edgy and dirty but he goes home and drinks tea with his husband while they watch true crime reruns. He also never had sex with a girl.” Stan, my best friend, tweeted this one. I don’t have anything funny to say because it’s true. I do that, after this interview I’m going to pick up some Chinese food and we’re going to watch dateline.

He reaches into the bowl and pulls out a piece of paper

Richie

Who do we have here? “Richie isn’t funny and his impressions aren’t good.” That’s not very nice, nor is it funny. Please try harder next time. Also, I think this is a secret account for Spaghetti because this is what he says to me on the daily. Oh, sh*t! I wasn’t supposed to call him any nicknames. Whoops.

He shrugs. He reaches into the bowl and pulls out a piece of paper

Richie

“Richie Tozier, you ugly ass Oscar the Grouch looking bitch, shut the fu*k up.” Okay, that’s actually accurate. Thanks, uh, @sledge123. Nice name by the way.

He reaches into the bowl and pulls out a piece of paper

Richie

“Fuck of Richie Tozier.” Okay.

He reaches into the bowl and pulls out a piece of paper

Richie

Wait, this one is Eddie again. Awesome. “Richie is dumb, he’s the kind of guy who spends ten minutes trying to find his glasses when they’re on his head. But it is fun to steal them and watch him.” I married such a lovely man! I love him so much. This one is also true though and I am basically blind without my glasses so when he steals them it makes my life a lot harder but he’s been doing it for so long so I’m used to it. He’s too cute to be mad at. Love you, babe.

He reaches into the bowl and pulls out a piece of paper

Richie

Alright, last one: “Richie Tozier is famous for being annoying. What the fuck? He’s famous and rich and all he does it be stupid. I hate him so much like at least be funny if you’re going to be on my Netflix page.” Well, comedy is subjective and what one person finds stupid another may find hilarious. But I am amazing and hilarious so fu*k you. Love you all, even my haters!

He stands, waving at the camera.

Richie

Off to get the same takeout order we’ve been getting since we were about twenty-two and be bland with my Spaghetti!

Transcript of: **Buzzfeed Celeb: Richie and Eddie Tozier Playing 'The Wed-Game'.**

Text on screen reads: "Before filming, we asked Richie and Eddie Tozier questions and they now have to guess what their counterpoint answered."

Next section of text read: "Course language and sexual content. Viewer discretion is advised."

Richie and Eddie are sitting on a sofa, Richie's arm is around the back of Eddie. They have white, A4 cards on their laps.

Richie

Hey, I'm Richie Tozier

Eddie

And I'm Eddie Tozier.

Richie

And we're playing a game with Buzzfeed! I forgot what game it is.

Eddie

The Wed-Game, dumbass.

Narrator (Offscreen)

Okay, Eddie, we asked Richie "who is more likely to get arrested out of the two of you" what do you think he wrote?

Eddie

He wrote my name but he's wrong. He'd totally get arrested before me.

Richie holds up a card that says 'Eddie (but maybe me)'

Richie

You know me so well, sweet cheeks. And to be honest, the only time we both nearly got arrested was when we were together.

Eddie

True.

Narrator (Offscreen)

You were nearly arrested?

Eddie

Sort of.

Richie

Nothing came of it.

Narrator (Offscreen)

Can we know what happened?

Richie

Sure, I'm not going to get fired if my boss finds out. Eds might.

Eddie

I wasn't arrested. Besides, it was your fault.

Richie

No, it wasn't! You planned the date.

Eddie

I didn't plan that part.

Richie

You definitely planned for us to get naked.

Eddie

Yeah but at our house!

Narrator (Offscreen)

Did you nearly get arrested for public indecency?

Eddie

No.

Richie

We just got yelled at by an old man and chased by his parrot for that.

Eddie

It was the bar fight that we got involved in.

Narrator (Offscreen)

Pardon?

Richie

Yeah, it was before the whole naked swimming thing.

Narrator (Offscreen)

You nearly got arrested after being in a bar fight and decided to go skinny dipping?

Eddie

That sounds bad. But yes.

Narrator (Offscreen)

Was this when you were in college or something?

Richie

Like three years ago.

Narrator (Offscreen)

Oh.

Eddie

It was fine. I patched Richie up, I'm a nurse.

Narrator (Offscreen)

What was the fight about?

Richie

No idea.

Eddie

Something dumb, I'd guess.

Richie

Definitely.

Narrator (Offscreen)

Alright, let's move on then. Richie, we asked Eddie; "what is your favourite thing to do as a couple."

Richie

Yoga.

Eddie holds up a card that says Yoga

Eddie

It's the pants.

Richie

Even better when there are no pants involved.

Eddie

Yoga in skirts? That'd be hard.

Richie

Not the only thing that's hard. Ha! Babe, you set me up so well.

Eddie

I know, darling.

Narrator (Offscreen)

I think this is the strangest interview I've ever done. Eddie, we asked Richie; "what is your favourite part of your husband."

Eddie

He wrote my dick.

Richie holds up a card that says 'His Dick'

Richie

You know me so well, honeybunch.

Eddie

You already said that.

Richie

It's true.

Narrator (Offscreen)

Richie, we asked Eddie; "what was the most embarrassing moment of your life as a couple."

Richie

There are so many to choose from. I'm going to go our final year of high school when I serenaded him in the cafeteria in front of everyone in our school. We weren't even out I don't think. I was just being annoying.

Eddie holds up a card that says 'The Caferita Incident.'

Richie

Eddie was not happy with that.

Eddie

I was not.

Narrator (Offscreen)

What song was sung?

Eddie

Africa by TOTO.

Richie

He didn't speak to me for a week and a half. I honestly thought I was dying.

Eddie

You're so dramatic.

Richie

I was traumatised. No se-

Eddie

Beep beep you idiot. This is a family-friendly interview.

Richie

Spaghetti, you said dick like a minute ago.

Eddie

Shut up, next?

Narrator (Offscreen)

Eddie, we asked Richie; "what was the best moment of your life as a couple."

Eddie

I would love it if it was something romantic like the first time we kissed or when he proposed but I know it's the first time I let him go down on me.

Richie holds up a card that says 'when I gave him a blowjob for the first time'

Richie

It was awesome.

Eddie

I hate you. Your mother is going to watch this.

Richie

She gets to know what we were doing in my room, she was always asking!

Eddie

Richie!

Narrator (Offscreen)

Okay! Richie, we asked Eddie; "what was the best moment of your life as a couple." It's the same question.

Richie

He said that he wanted it to be romantic but I know for a fact his favourite moment was when he moved into my house.

Eddie holds up a card that says 'When I moved into the Tozier household.'

Eddie

That was romantic, jackass. Just because you were always so horny. I was in love.

Richie

I was in love as well, and I was also very happy that you were in my bed every night.

Eddie

Yeah, because you never snuck into my house before I moved.

Richie

I climbed your wall, Eddie's bedroom was upstairs so we're all clear, every night. It was a lot easier when your room was next door to me.

Eddie

I was just happy to be out of my house. I would have been just as happy at Bill's.

Richie

Lie.

Eddie

As if. You're a mess.

Richie

I think you almost cried when you showered in my shower that first time.

Eddie

That was before I moved in.

Richie

Still funny.

Narrator (Offscreen)

Last one, Eddie, we asked Richie "what was the defining moment of your relationship"

Eddie looks at Richie. For the first time, he looks confused

Eddie

There are two options that I can't decide between.

Narrator (Offscreen)

No clues, Richie.

Richie

I'm not going to help him.

Eddie

When we meet, the first day of first grade.

Richie holds up a card that says 'the first time we meet; in first grade'

Richie

You know it babycakes.

Eddie

That was the worst nickname.

Richie

Noted.

Narrator (Offscreen)

What was the other option?

Eddie

First time we had sex. I had to decide if he was going to be sweet or crass.

Richie

Those were the two I had to decide between as well. To be honest I should have gone with the other one!

Eddie

Oh, shut up!

Richie

Make me, angel dust!

Eddie

That's a drug.

Richie

Butterball.

Eddie

I hate you.

Richie

Oh, come on Spaghetti! You love me.

Eddie

Maybe.

Richie

I'll take it!

Richie pulls Eddie in for a kiss and the video ends on that frame.

Wonderful Fashion Designer - ben and I got one wrong

R Tozier - That's because you don't love each other

Wonderful Fashion Designer - rude

E Tozier - They said that we were the best out of everyone. No one had gotten as close as we did.

Billiam - You knew literally everything. You even knew the thought process behind it.

Billiam - and it's impressive because you have had so many embarrassing moments.

E Tozier - It was the worst one

Mike - I would have gone for the time Richie pretended to dump you in New York

18. Chapter 2: The ‘Richie is very strange but we know that already' Part

Notes for the Chapter:

> Content warning: They talk about drugs in the final section.

Bumble Bee @beatrze

Hey @RTozier what is the worst thing about marrying Eddie

Richie Trashmouth Tozier ✔ @RTozier *In reply to @beatrze*

I can’t call him Special K anymore.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

Oh no.

Eddie Tozier ✔ @ETozier

It’s gotten to the point that if Richie shouts some random word I turn around. Every word could be a name for me now.

Eddie Tozier ✔ @ETozier *In reply to @ETozier*

If I hear ‘Pasta’ my response is generally ‘yeah?’ Do you know how weird that is?

Eddie Tozier ✔ @ETozier *In reply to @ETozier*

Why does Richie call me pasta? How does that relate to Edward? Some guessed my last name might be the clue. My last name was Kaspbrak.

Eddie Tozier ✔ @ETozier *In reply to @ETozier*

No, here’s how it goes. Edward -> Eddie -> Eddie Spaghetti ->

Spaghetti -> Pasta.

Eddie Tozier ✔ @ETozier *In reply to @ETozier*

So I know respond to Pasta on instinct.

Eddie Tozier ✔ @ETozier *In reply to @ETozier*

Someone ordered pasta in a restaurant once and I turned around because I thought they were calling for me. Richie thought it was hilarious. I did not.

Eddie Tozier ✔ @ETozier *In reply to @ETozier*

He also calls me every pet name under the sun and has occasionally been known to call me deserts/candies. I don't think he's called me 'Eddie' since one fight we had about six years ago.

Eddie Tozier ✔ @ETozier *In reply to @ETozier*

Do you know how weird it is for your husband to call you fucking 'spaghetti' in the middle of sex? I do.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

I like nicknames.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

A bit too much.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

No such thing and all my nicknames are awesome so...

Beverly Marsh ✔ @MarshBev *In reply to @RTozier*

You constantly call me Beverly-Boo.

Stan U @stanlyuris *In reply to @RTozier*

Stan the Man isn't a good nickname. Neither is Stanley the Manley. Or Stanuel.

Bill Denbrough ✔ @WilliamD *In reply to @RTozier*

Big Bill just sounds weird. So does Billiam.

Ben Hanscome ✔ @Benhanscome *In reply to @RTozier*

Benji, Benny, Benzo, Benjamin.

Mike @MikeyH *In reply to @RTozier*

Mikey, Mikey-Moo. Mikey-pie. Mikeso. Major Mike.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

Eds, Eddie my Love, My Eds, Meds (my eds but shortened and a jab), Eddie Spaghetti, Spaghetti, Pasta, so many others I can't even list. Eddie.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

All of these are amazing nicknames!

Stan U @stanlyuris *In reply to @ETozier*

Something is wrong with your husband.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @stanlyuris*

Yeah, but he knew that when he married me.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

That's true.

Bex Loves Richie @happyb

@RTozier pls give me some relationship advice.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @happyb*

Fall in love at 11 and then marry him at twenty. It's the only way.

Bex Loves Richie @happyb *In reply to @RTozier*

I'm already twenty tho

Richie Trashmouth Tozier ✔ @RTozier *In reply to @happyb*

Then i have no idea. Godspeed.

Eddie Tozier ✔ @ETozier

I finally, after a long time, got @RTozier to sweep the floors and within ten minutes he broke my broom. How do you break a broom sweeping?

Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

Billiam - I am stuck

R Tozier - Where

Billiam - on what to write next.

Stan - where?

Stan - What did you think he was going to say?

R Tozier - I was hoping it would be a well.

Billiam - sorry, no.

Billiam - I don't know how to take this stupid plot.

R Tozier - take some crack and then try to write.

Billiam - no.

Mike - take a break, see if anything comes to you then.

Billiam - I'm going to have to.

Stan - what are stuck on?

Billiam - should I kill one of the characters? I feel like it's a cop-out if I don't but none of them finished their arcs so I don't know what to do

E Tozier - this is the horror about the hotel, right?

Billiam - yeah.

E Tozier - which one would you want to kill?

Billiam - Jordan.

Stan - sounds like you know

Billiam - I guess but she needs some more development.

Mike - take a break.

Billiam - okay.

Wonderful Fashion Designer - It's not a cop-out. People survive stuff all the time, we're all alive.

R Tozier - Thought we said we wouldn't talk about that anymore

Wonderful Fashion Designer - A) you talk about it all the fucking time, you're naming your next show 'clowning around' and B) I meant being friends with you.

R Tozier - :(

Billiam - anyway

Billiam - okay im gonna stop for a few days and see what happens

Billiam - hopefully i have a dream where I get told what to write or something

Stan - that doesn't sound likely but we can hope.

Wonderful Fashion Designer - lmao why

R Tozier - comedians are alway high idk

Stan - all comedians?

Mike - please don't do drugs

R Tozier - not all of them. Most of them.

Wonderful Fashion Designer - people in the fashion industry are the same tbh

Best Guy - people in the building industry are not. From what I know at least.

Mike - yeah, I can't imagine many librarians running around on coke.

Mike - don't do drugs.

E Tozier - we say no

E Tozier - and richie better say no when he's alone, like he is right now

R Tozier - i have not been offered any drugs this trip

R Tozier - but yes, I say no.

R Tozier - unless bill wants some

Billiam - im okay. Thanks tho.

R Tozier - and mike, I can completely imagine librarians high on coke.

Mike - why?

R Tozier - just can.

R Tozier - can't imagine accountants tho stan

Stan - I don't know any

R Tozier - accountants or accountants addicted to crack?

Stan - the latter.

Mike - there's a poster in the library that says 'hugs not drugs' so im gonna say it to you guys now

Mike - hugs not drugs.

Wonderful Fashion Designer - Mike, you're amazing.

Notes for the Chapter:

> Thank you for the love guys! I got a few nasty messages that messed with my confidence a tiny bit but the comments on the last chapter were so nice :)

19. Chapter 19

Lulu @alision234

I'm at the hospital where @ETozier works because my brother is sick and @RTozier is here. I asked for a picture because he's funny and he's like 'of course'. He then he asks if I can have candy and when I say yes he pulls out a bag of skittles and offers me some.

I love Eddie (and Richie) Tozier @RtEtfan *In reply to @alision234*

What was he doing in the hospital?

Lulu @alision234 *In reply to @RtEtfan*

He was in the hallway, getting a cup of water and was on his phone.

I love Eddie (and Richie) Tozier @RtEtfan *In reply to @alision234*

Was he waiting for Eddie?

Lulu @alision234 *In reply to @RtEtfan*

I don't know. I guess.

Eddie Tozier ✔ @ETozier *In reply to @alision234*

He was. Richie doesn't understand that not everyone can work from home whenever they want.

I love Eddie (and Richie) Tozier @RtEtfan *In reply to @ETozier*

Does he wait for you often?

Eddie Tozier ✔ @ETozier *In reply to @RtRtfan*

He's there so often people think he's a doctor sometimes.

I love Eddie (and Richie) Tozier @RtEtfan *In reply to @ETozier*

That's so cute

Eddie Tozier ✔ @ETozier *In reply to @RtRtfan*

Yeah, until he's too awkward to say that he isn't and suddenly I'm getting paged because my husband is giving a check-up to someone.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

That happened once.

Eddie Tozier ✔ @ETozier

I don't think Richie knows how to make a bed.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

I do know how to make a bed you're just insane and think that I can't.

Mike - that's true!

Stan - Usually I don't take naps but I am close.

Stan - I am so tired it's bad.

Billiam - Have you been sleeping?

Stan - No. Not really.

Mike - why not?

Stan - work is just crazy and I'm struggling to keep up.

Billiam - Stan, that sucks. I'm sorry.

Mike - Is there anything we can do?

Stan - No. I just have to get over this and then I'll be okay.

Mike - but first nap.

Billiam - yes, nap first.

R Tozier - you guys are so dull. What are we? 70? ((((((((((for Stan only::::: im sorry stanny and i hope you take a nap)))))))))).

Billiam - we can see that

Mike - you're so weird.

Stan - Thank you guys. Even richie

R Tozier - <3333333

R Tozier - that's a large heart for you stanuel.

Mike - I think you're being nice but it's so hard to know with you

E Tozier - he's being nice. He's just not very good at it.

Ben Hanscome ✔ @Benhanscome

I never know if Richie is being serious or not. He just told me that he and Eddie were getting divorced (not true) but he looked serious when he said they were getting married again.

Beverly Marsh ✔ @MarshBev *In reply to @Benhansome*

He told me that they were running away to get married.

Stan U @stanlyuris *In reply to @Benhansome*

Told me that they were getting divorced so Richie could marry Patty. Patty seemed okay with it as well?

Bill Denbrough ✔ @WilliamD *In reply to @Benhansome*

I got told that they were getting divorced. Nothing more.

Mike @MikeyH *In reply to @Benhansome*

They told me that I was going to be a flower girl at their wedding and when I asked what wedding they were talking about they got very confused.

Ben Hanscome ✔ @Benhanscome *In reply to @MikeyH*

See? I am even more confused now.

Bill Denbrough ✔ @WilliamD *In reply to @Benhansome*

I think we just have to ignore them.

Stan U @stanlyuris *In reply to @WilliamD*

It worked through high school.

Beverly Marsh ✔ @MarshBev *In reply to @MikeyH*

Wait I want to be the flower girl. I'm gonna throw full bouquets as I go down the aisle

Richie Trashmouth Tozier ✔ @RTozier *In reply to @MarshBev*

BITHCH THAT IS SUCH A GOOD IDEA

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

Bithch

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

Leave me alone, I'm having a moment.

Beverly Marsh ✔ @MarshBev *In reply to @RTozier*

Ben can be the ring bearer.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @MarshBev*

BEVVVV we should get married instead because you're so smart

Beverly Marsh ✔ @MarshBev *In reply to @RTozier*

I know

Richie Trashmouth Tozier ✔ @RTozier *In reply to @MarshBev*

Each bouquet you throw is gonna be a different type of flower. Bonus points if you hit people.

Beverly Marsh ✔ @MarshBev *In reply to @RTozier*

I wanna hit John Mauleny with a bouquet of roses.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @MarshBev*

perfect.

Ben Hanscome ✔ @Benhanscome *In reply to @RTozier*

Now I'm just more confused. Care to elaborate?

Richie Trashmouth Tozier ✔ @RTozier *In reply to @Benhansome*

No.

Ben Hanscome ✔ @Benhanscome *In reply to @RTozier*

Why not?

Richie Trashmouth Tozier ✔ @RTozier *In reply to @Benhansome*

Change your name, legally, to Ben Handsome and then I will

Ben Hanscome ✔ @Benhanscome *In reply to @RTozier*

No.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @Benhansome*

Then stay in the dark.

Stan - I was pretending that you weren't my friend

R Tozier - well damn. Okay.

Stan - I was bird watching, I told you that I was going.

E Tozier - Richie has no concept of time

R Tozier - whatever

R Tozier - how was birdwatching?

Mike - it was good

Stan - got some good photos

R Tozier - You told me that you didn't bring friends with you!

Stan - No, I said I wouldn't bring you because you scare away the birds.

Mike - I don't?

Stan - you attract them

R Tozier - it's because he's attractive. Anyway, why can't i go birdwatching?

Stan - because you're a ball of hyper-energy and it freaks the birds out.

R Tozier - eds and I are going to go birdwatching and you'll see

E Tozier - we are?

Stan - good luck.

The Less Chaotic Group Chat
Beverly, Stan, Mike, Bill, Ben

Bill - it's gonna be a disaster

Ben - it is

Mike - how many laws can you break birdwatching?

Ben - they'll find a way to break all of them

Bev - oh no

Stan - it's going to be funny to watch

Stan - but I am not going to go bail them out.

Bev - neither

Mike - nope

Ben - nah. That leaves you bill

Bill - screw all of you.

Bill - whatever

Mike - what do you think gonna happen?

Bev - one of them will get wet

R Tozier - I hate to admit it but holy shit stan was right

E Tozier - fuck you richie i hate you

Stan - what happened?

R Tozier - first off: there were no fucking birds anywhere so that sucked

R Tozier - secondly: my shoe broke like ten minutes into it.

E Tozier - he pushed me into a puddle.

Best Guy - did you get wet?

E Tozier - yeah.

Wonderful Fashion Designer - FUCKING KNEW IT BITCH

Eddie Tozier ✔ @ETozier

Richie has never had a job in his life.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

Keeping you alive in derry was a full time job

I love Eddie (and Richie) Tozier @RtEtfan *In reply to @RTozier*

?? Why?

Richie Trashmouth Tozier ✔ @RTozier *In reply to @RtEtfan*

Bullies would come up to us and Eddie would insult them. He nearly got stabbed once.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

Oh well.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

That's not oh well!

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

I didn't get stabbed

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

Because i pulled you away and we ran to your house

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

And then my mother almost stabbed you so we both almost got stabbed

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

Your mother loved me and would never stab me. Bowers was mental and would stab you.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

My mother hates you

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

Nuh uh, I see her every time I'm in NY. We are in love.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

This is why she hates you.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

That's actually fair enough. She does hate me, threatened to throw me out of a window at least once!

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

She was seriously pissed when you broke the locks on the window. I told her it must have been a racoon.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

That's the worst lie ever

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

I panicked.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

Is she gonna see this? She contacts you for the first time in twenty odd years to complain about a window that I broke when we were like 14?

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

That sounds like something she'd do. Idk if she'll see these, I don't think she's on twitter and everyone in Derry hates us so

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

My parents like us

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

Aside from them, yeah.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

Wonder why they hate us. Could it be the homophobia?

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

You drew a large dick on the main road in chalk at least twice a year. I think that's why.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

They couldn't know that was me!

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

You signed your name dipshit.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

That i did. Maybe it's because we were little shits. You almost burnt down the chemist that one time.

Eddie Tozier ✔ @ETozier *In reply to @RTozier*

That was an accident

Richie Trashmouth Tozier ✔ @RTozier *In reply to @ETozier*

So were the dicks.

Red Pencil @starcross

Hey @WilliamD did Richie actually draw dicks on the main road of Derry?

Bill Denbrough ✔ @WilliamD *In reply to @starcross*

Sadly, yes.

"Lame. Do Meth" - Richie Tozier, today at 4:46 am.

Richie Trashmouth Tozier ✔ @RTozier *In reply to @stanlyuris*

This is not true. I didn't use any punctuation.

L stands for Loser

Richie, Eddie, Beverly, Stan, Mike, Bill, Ben

E Tozier - why the fuck is #CancelTrashmouth trending again? I swear to god I will murder you.

R Tozier - no big deal but it was stans fault.

Mike - You told children to do meth?

E Tozier - what the fuck Richie???!??!!

R Tozier - I DID NOT

R Tozier - Stan fucking tweeted

Stan - that is true

R Tozier - This is just like that time people were angry because I made a gay joke but like I am gay so that blew over and this will blow over and we will all be happy and you will get your new fucking spa.

E Tozier - That better happen.

Wonderful Fashion Designer - are you upset that your husband is being cancelled because you want a new spa?

E Tozier - yeah

R Tozier - that's true love right there.

Mike - I thought we said no to drugs Richie.

R Tozier - haha

Mike - what are you gonna do?

R Tozier - idk

Stan - i got it

Stan U @stanlyuris

Richie has never done meth, it was a joke because our friend said she was high on life, also as a joke. None of the Losers do drugs nor are we supportive of them. I didn't realize that this would blow up and Richie is very upset that this has happened. #CancelTrashmouth

Stan U @stanlyuris *In reply to @stanlyuris*

Also, so we're clear, Richie is too much of a loser to do drugs. Again, this is a man who has ordered the same dinner since he was twenty one and an exciting night for him is watching reruns of crime shows with his husbands. #CancelTrashmouth

Wonderful Fashion Designer - oh thank god you're my best customer

R Tozier - yeah, it's not like it's my career on the line or anything.

Wonderful Fashion Designer - you get it

Best Guy - sometimes I am scared of my wife.

Wonderful Fashion Designer - lol

Stan - you're welcome

R Tozier - you also started the crisis so it's like

Stan - accident

R Tozier - okay sure but you did start it.

Wonderful Fashion Designer - you're both pretty.
